

MBL03-SAM

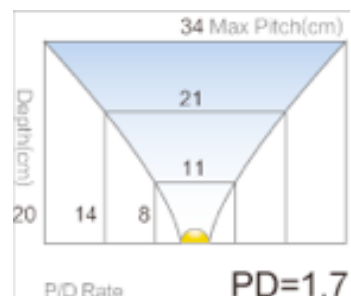

The MBL03-SAM is a cost effective mid size LED module back light in the OZ LED Lighting range. The MBL03-SAM best operates in the 80-200mm depth range for channel letters, acrylic letters, light boxes and commercial lighting. This module also gives very good light distribution when there is only a 50mm gap. The MBL-3's innovative design and exceptional Bat-Wing optics provides even illumination.

Created for super bright channel letters 80-200mm deep.
